R-EXO

RUGGED IMPACT PROTECTION & TOUCHSCREEN PERFORMANCE

Exo delivers excellent impact protection, keeping your hands safe from nasty bumps, bangs and bruises. The low-profile design and premium 15-gauge yarn delivers superior hand and fingertip dexterity, while the double-coated nitrile palm provides long-lasting durability and excellent grip in all situations. And to top it off, Ironclad's exclusive carbon nanoparticle infused palm provides guaranteed touchscreen performance.

TECHNICAL INFORMATION:

ANSI 105
